

OS Unit 1 Question Bank — Introduction & Process Management

Operating Systems (OS) · Unit 1 · Introduction & Process Management · 2025

Important and frequently asked questions, grouped by marks.

Part A — Short answer (2 marks)

1. Write short notes on Operating System Structures.
2. Compare System Calls with Process States. When would you prefer one over the other?
3. Discuss the role of Process Concept in Introduction & Process Management.
4. Explain Process States with a neat diagram and a suitable example.
5. Explain Context Switching with a neat diagram and a suitable example.
6. Explain Threads with a neat diagram and a suitable example.

Part B — Long answer (10 marks)

1. Discuss the role of Operating System Structures in Introduction & Process Management.
2. Compare System Calls with Process Concept. When would you prefer one over the other?
3. Illustrate Process Concept with a worked example.
4. Discuss the role of Process States in Introduction & Process Management.
5. Write short notes on Context Switching.
6. Explain Threads with a neat diagram and a suitable example.
7. Explain Operating System Structures with a neat diagram and a suitable example.
8. Discuss the role of System Calls in Introduction & Process Management.
9. Define Process Concept. Derive or justify the key properties involved.
10. Explain Process States with a neat diagram and a suitable example.
11. Illustrate Context Switching with a worked example.
12. Explain Threads with a neat diagram and a suitable example.
